Vivian Glyck, author, entrepreneur and founder, Just Like My Child Foundation will offer a short presentation about the Foundation and the hope they are bringing to a community of over 600,000 people who have been neglected by their country and the world. This is a hospital which hasn't had a doctor for over five years; a hospital that serves a community where every 30 seconds a child is dying of malaria; a hospital that serves mothers whose HIV rate is over 30%. Visit www.JustLikeMyChild.org for more information about the foundation

The work of the Just Like My Child Foundation, a 501c3 charitable corporation, was **recently featured on KUSI and ABC News**. Find out how you can join in and experience the incredible joy of saving the lives of children who really are “Just Like Our Children”.
